call for proposals...

Brenda May Gallery is seeking proposals from professional practising artists in Australia and New Zealand for the following group exhibitions scheduled for 2012/2013.

'Art + Food - Beyond the Still Life' - October 2012

This exhibition will consider the representation of food within the visual arts and beyond the standard still life tableaux. The consumption of food is a universally shared experience, enabling people viewing the exhibition to connect with the issues surrounding consumerism, food production and cultural identity.

Proposals for this show must be received by Friday 27 July 2012.

Artwork to be delivered to the Gallery by Friday 28 September 2012.

'Sculpture 2013' - January/February 2013

Scheduled for January, this show continues the tradition of opening our year with an exhibition devoted to the best and most interesting contemporary sculpture. Although there are no restrictions for this exhibition, we will only consider work made by professional sculptors which has not previously been exhibited in Sydney.

Proposals for this show must be received by Friday 19 October 2012.

'Paper Works II' - March/April 2013

We already exhibit a number of artists who work with paper in extraordinary ways - as such this show is about the nature of paper itself and we will consider any work produced on paper, with paper or about paper.

Proposals for this show must be received by Friday 26 January 2013.

Please post submissions directly to the gallery (email submissions and proposals sent via registered post will not be accepted).

Submissions must include a CD of recent work, an up to date CV and a one page written proposal outlining which exhibition you are submitting for and the nature of the work you are proposing. Please no powerpoint files.
